PROFILE

Detail-oriented and motivated software engineering student with hands-on experience in web development and manual QA testing. Strong foundation in HTML, CSS, JavaScript, and PHP, with practical knowledge of testing concepts and bug reporting. Adept at working in collaborative environments and committed to delivering high-quality software solutions. Currently seeking a Software Engineer/QA Internship to apply skills and gain industry experience.

EDUCATION

- International College of Business and Technology (ICBT)
 - BSc (Honours) in Software Engineering
EXPECTED START: OCTOBER 2025
- International College of Business and Technology (ICBT)
 - Higher Diploma in Computing and Software Engineering
(Completed – Pending Results) 2023 NOV–2025
- British Council
 - Diploma in English
2023 FEB - 2023 MAR
- University of Moratuwa (CODL)
 - Certificate Course in Web Design 2022 FEB-2022 APR
- G.C.E. Advanced Level (Commerce Stream)
Results: 1 C, 2 S
2022

PROJECTS

GoldenKennel Website

- Designed and developed using HTML, CSS, and JavaScript.
- Conducted manual testing for navigation, form validation, and responsiveness.
- Reported and resolved UI/UX bugs.

Hospital_Web System

- Participated in front-end development and layout planning.
- Performed functionality testing and collaborated on bug fixing.

Personal Portfolio Website

- Built a personal portfolio to showcase skills and projects.
- Applied manual testing to correct design inconsistencies.
